HOOSIER

— the Kitchen Cabinet that saves miles of steps

Save a mile or more each day

As you journey through the day, from breakfast to dinner, do you think of the miles you travel, the hours you spend and the motions make? And do you know that a large part of this energy is wasted, foolishly spent?

The Hoosier kitchen cabinet was made to correct this evil. It will save many steps and many minutes every hour you use it.

Within this attractive labor-saving cabinet are centered the supplies and utensils needed. And you sit restfully while at work.

Hoosiers are inexpensive—many models to select from. A small payment puts one in your kitchen. Don't forfeit the best part of your days in needless toil. Select your Hoosier now!
